

JORDY W. CHILCOTT

Head of Investment Distribution, Sun Life Global Investments

Rick Headrick, President of Sun Life Global Investments is pleased to announce the appointment of Jordy W. Chilcott as Head of Investment Distribution.

A seasoned retail and wealth management executive, Jordy's extensive career in financial services includes

leading Scotiabank's asset management business. He was also the President and CEO of Dynamic Funds. Jordy has significant experience in distribution and in guiding large sales teams to drive success.

In his new role, Jordy will lead the distribution arms of our retail investment business and will create sales growth strategies across all retail investment products in Canada. He will also develop and spearhead our distribution team and manage relationships with third party partners.

Jordy's strong track record of managing high performing teams and his commitment to improving client outcomes make him a welcome addition to our team.
